

# PHILIPP & Co.,

49, Farringdon Street,  
London, E.C.

Are the Largest Manufacturers and Wholesale Dealers in the World for Cycle Parts, Cycle Frames, Finished Machines and Accessories.

## MANUFACTURING DEPARTMENT.

**PHILIPP & CO.** manufacture the best finished sets in the market, which are known among the leading houses as the **PHILIPINE SETS**. These sets are delivered in one parcel, with everything required for the building of a cycle, so that the machine can be completed without the necessity to buy any other parts from elsewhere, and without having to trouble the plater and enameller, etc. Philippine Sets are now recognised as the most up-to-date sets in the market; they are also the **cheapest**, and can be conscientiously guaranteed.

**PHILIPP & CO.** have a special department for Finished Wheels.

**PHILIPP & CO.** manufacture a very reliable chain. They make it a leading line. For quality and price it cannot be surpassed. It is known as the **PHILIPINE CHAIN**, soft or hardened.

**PHILIPP & CO.** supply all Agents, Manufacturers, etc., who are not in a position to braze their own frames, with Finished Frames or Finished Machines, at the lowest nett prices.

**PHILIPP & CO.** manufacture their own lamps, namely, a series of **PHILIPINE LAMPS**, very light, latest designs, detachable parts, and astonishing low prices.

**PHILIPP & CO.** manufacture a series of saddles called the **PHILIPINE SADDLES**. Special line in this department.

**PHILIPP & CO.** manufacture a series of bells, called the **PHILIPINE BELLS**, which will pay agents to handle.

**PHILIPP & CO.** manufacture their own tyres, cushion as well as pneumatic tyres, called the **PHILIPINE TYRES**.

**PHILIPP & CO.** manufacture pneumatic outfits and rubber solution, called **PHILIPINE OUTFITS**, and **PHILIPINE RUBBER SOLUTION**.

**PHILIPP & CO.** manufacture a superior quality cycle burning and lubricating oil, known as the **PHILIPINE CYCOILINE**.

**PHILIPP & CO.** manufacture **PNEUMATIC PUMPS** of improved shapes.
